**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It was different under AT&T broadband with poor service. I was able to choose other options like Sonic, faster and better service, plus a phone lines, for the same cost. Thank you competition. AT&T was not offering fiber, but Sonic brought it in. We often work from home and rely on stable internet for video conferencing and file transfers, to get our work done productively. The AT&T DSL was spotty. Thank you Sonic.
